

2019-2020 School Year Grant Awards

The original intention of the FLGC grants was for projects to be completed during this school year, but school closures made this time frame impossible for some. Those projects will be completed during the 2020-2021 school year.

Valerie Quintasket, Nespelem Elementary School: Salishian History, A Local Perspective (completed)

Samuel Palmer, Soap Lake High School: Study of Soap Lake Water (completed)

Quintz Whitaker, Moses Lake's Frontier Middle School: Fishing Pole Project (completed)

Sloane Schubert, Cascade's Icicle River Middle School: Ancient Lakes Geologic Study

Misty Krohn, Grand Coulee Dam's Lake Roosevelt Elementary School: Create Science Center in My Classroom

Roxanna Jensen, of Entiat's Paul Rumberg Elementary School: Touch Screen for the Classroom

Janet Woodworth, of Eastmont's Sterling Middle School: Book Study Comes to Life

Heidi Hartnell, of Cashmere's Vale Elementary School: Outdoor Education for the Whole Family
